

REMARKS

At the time of the last Office Action, Claims 1-33 were pending. The Examiner allowed claims 1-29 and 33, and rejected claims 30-32.

The subject Amendment cancels the rejected claims, Claims 30-32 without prejudice. Therefore, this case is now in condition for allowance and early notice of the same is earnestly requested.

CONCLUSION

For all the above reasons, Assignee submits that the application is in condition for allowance, which action it respectfully solicits. If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call the undersigned at the telephone number shown below.

Assignee believes that no extension of time is required. However, to the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 501946, please credit any excess fees to such deposit account and please reference attorney docket number 64693-019.

Respectfully submitted,
